

<i>COUNTY OF WETASKIWIN NO. 10</i> Municipal Policy & Procedures Manual	FUNCTION: 1000 GENERAL GOVERNMENT SERVICES
	SECTION: 1200 GENERAL ADMINISTRATION

DECALING OF COUNTY VEHICLES POLICY #1214

POLICY STATEMENT

County Council recognizes the need to be visible within the County and has implicated that County units (excluding Emergency vehicles) be outfitted with the County decals, radios, safety equipment, etc. Council directed that all new vehicles be tendered with a consistent color which has been determined to be white and decaling of all County owned vehicles will be implemented as the vehicles are replaced using the established template of decals.

PROCEDURES

1. The contracted design artist is to be contacted and depending on the size of the unit, the decal work may be completed at the County shop or if required the new vehicles may be decaled in a controlled environment.
2. County Administration is required to pre-approve designs drafted for makes and models which may require slight design changes.
3. As the units are replaced, the standard white color will be tendered and all decals will conform to the following design.
