1. Site attendants will not accept payment for fees required to dispose of solid waste.
2. Site attendants will keep accurate records, on a form prescribed by management, and submit these forms to the Administration Office on a monthly basis. Site attendants are required to enter all information into the required forms. The client is only to provide a signature stating that they agree with the information as entered by the site attendant.
3. Site attendants will require the presentation of a county green card before permitting dumping of any kind. The card must be provided in order to ensure accuracy of billing records.
4. Administration will ensure ratepayers are invoiced on a monthly basis.
5. Signs will be posted at transfer stations to inform ratepayers of E-Waste and Toxic Roundup schedules, as well as year round locations that accept hazardous materials (toxics, compressed gas, etc).
6. No Trespassing signs will be posted on the gate and at all four corners of the transfer station, as advised by Community Peace Officers with respect to the Petty Trespass Act.
7. Policy #4303 is hereby rescinded.
