

County of Wetaskiwin No. 10 Municipal Policy

Department:

Policy No.

12.3 Financial Management

12.3.1

Title Investment Policy

1. Policy Statement:

- 1.1. The purpose of this Policy is to provide general investment principles, rules, and delegated authority for managing and monitoring the investments of the County. The primary objectives of the County with regards to investment activities will be to preserve capital, ensure sufficient liquidity is available to cover potential operating shortfalls, and obtain a consistent market rate of return throughout budgetary and economic cycles.
- 1.2. Investments made by the County must conform to the guidelines and procedures listed below, as well as follow the scope and spirit of legislative requirements under Section 250 of the *Municipal Government Act*.
- 1.3. This Policy, as well as the guidelines and procedures listed below, are applicable to all funds managed by the County and all affiliates and subsidiaries.

2. Responsibilities:

- 2.1. It shall be the responsibility of the Chief Administrative Officer (CAO) to:
 - 2.1.1. Make investments on behalf of the County in accordance with the procedures and guidelines laid out in this Policy, and in conjunction with the Director of Finance.
- 2.2. It shall be the responsibility of the Director of Finance to:
 - 2.2.1. Make investments on behalf of the County in accordance with the procedures and guidelines laid out in this Policy, and in conjunction with the CAO.
 - 2.2.2. Report to Council on an annual basis on the performance of all investments. This report will highlight the total assets within the investment portfolio, the amount of return generated, a summary of securities invested in, and performance of the portfolio measured against a pre-determined benchmark.

3. Guidelines:

- 3.1. The County recognizes its fiduciary responsibility for the stewardship of the funds it has been entrusted with. To ensure that the principal amount of any and all investments are insulated from losses due to market conditions and issuer default, the County shall maintain minimum quality standards for all individual investments held and will mandate sufficient diversification within the portfolio itself.

3.2. For short-term investments, the following credit ratings used by Dominion Bond Rating Services (DBRS) shall be considered:

Short-Term Credit Rating (DBRS)	Explanation
R-1 (High)	Highest credit quality; the capacity for the payment of short-term financial obligations is exceptionally high; unlikely to be adversely affected by future events.
R-1 (Middle)	Superior credit quality; the capacity for the payment of short-term financial obligations is very high; unlikely to be significantly vulnerable to future events.
R-1 (Low)	Good credit quality; the capacity for the payment of short-term financial obligations is substantial, but not as strong as higher ratings; may be vulnerable to future events.
R-2 (High)	Upper end of adequate credit quality; the capacity for the payment of short-term financial obligations is acceptable; may be vulnerable to future events.
R-2 (Mid)	Adequate credit quality; the capacity for the payment of short-term financial obligations is acceptable; may be vulnerable to future events and other factors.
R-2 (Low)	Lower end of adequate credit quality; the capacity for the payment of short-term financial obligations is acceptable; may be vulnerable to future events, and likely to be impacted by other factors.
R-3	Lowest end of adequate credit quality; capacity exists to pay short-term financial obligations; likely to be vulnerable to future events.

3.3. For long-term investments, the following credit ratings used by Dominion Bond Rating Services (DBRS) shall be considered:

Long-Term Credit Rating	Explanation
AAA	Highest credit quality; the capacity for the payment of financial obligations is exceptionally high; unlikely to be adversely affected by future events.
AA	Superior credit quality; the capacity for the payment of financial obligations is very high; unlikely to be significantly vulnerable to future events.

County of Wetaskiwin No. 10 Municipal Policy		
Department:	Policy No.	Title
12.3 Financial Management	12.3.1	Investment Policy

A	Good credit quality; the capacity for the payment of financial obligations is substantial, but not as strong as higher ratings; may be vulnerable to future events.
BBB	Adequate credit quality; the capacity for the payment of financial obligations is acceptable; may be vulnerable to future events.
BB	Speculative, non-investment grade credit quality; the capacity for the payment of financial obligations is uncertain; vulnerable to future events.
B	Highly speculative credit quality; capacity for payment is uncertain.
CCC and lower	Very highly speculative credit quality; danger of defaulting on financial obligations.

- 3.4. To ensure sufficient diversification, not more than 20% of the total investment portfolio shall be invested in any single security, and not more than 35% of the total investment portfolio shall be invested with any single issuer.
- 3.5. If, at any point during the investment period, a security's rating falls below acceptable standards, it shall be divested from the portfolio as soon as is practical.
- 3.6. Permitted issuers for investments undertaken by the County shall be limited to the following:
- 3.6.1. The Federal Government of Canada (including crown corporations);
 - 3.6.2. Any Provincial Government body or entities guaranteed by such province (i.e. Alberta Treasury Branch); and
 - 3.6.3. Any obligations fully guaranteed by one of the Schedule 1 Chartered Banks in Canada, as listed by the Canadian Bankers Association and as amended from time to time.
- 3.7. In order to evaluate whether acceptable short-term market yields are being achieved, the FTSE/TMX 91 day T-Bill index will be used as a benchmark measure. Investments will be reviewed in the event of under-performance and adjusted, if necessary, by the CAO or the Director of Finance.
