Independent Auditor's Report

To the Members of Council of County of Wetaskiwin No.10

Opinion

We have audited the consolidated financial statements of County of Wetaskiwin No. 10 and its controlled or owned organizations (the Group), which comprise the consolidated statement of financial position as at December 31, 2018, and the consolidated statement of operations, consolidated statement of changes in net financial assets, and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2018 and its consolidated financial performance and its cash flows for the year then ended in accordance with Public Sector Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

County of Wetaskiwin No. 10 Summary of Significant Accounting Policies

Management's Responsibility for the Financial Statements	The financial statements of the County of Wetaskiwin No. 10 (the Municipality) are the responsibility of management. They have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. The Municipality is a municipality in the Province of Alberta and operates under the provisions of the Municipal Government Act of the Province of Alberta. The Municipality provides municipal services such as fire, public works, planning, parks, recreation and other general government services.
Basis of Consolidation	The financial statements reflect the assets, liabilities, revenues, expenditures and accumulated surplus of the Municipality. The Municipality is comprised of the municipal operations plus any organizations that are owned or controlled by the Municipality and are, therefore, accountable to Council for the administration of their financial affairs and resources.
	Funds held in trust by the Municipality, and their related operations, are not included in these financial statements. The financial activity and position of the trust funds are reported separately in Note 19.
	Interdepartmental and organizational transactions and balances are eliminated.
Cash and Cash Equivalents	Management considers all highly liquid investments with maturity of three months or less at acquisition to be cash equivalents.
Debt Recoverable	Debt recoverable consists of amounts that are recoverable under a loan made to the Wetaskiwin and Area Lodge Authority. These debt recoverable amounts are recorded at a value equivalent to the offsetting outstanding long-term debt balances as at December 31.
Inventories	Inventories of materials and supplies for consumption are valued at specific cost.
	Inventories of gravel are valued at the lower of cost or net realizable value with cost determined by the average cost method.

County of Wetaskiwin No. 10 Summary of Significant Accounting Policies

Tangible Capital Assets	Tangible capital assets are recorded at cost less amortization. Cost includes all costs directly a acquisition or construction of the tangible capital a transportation costs, installation costs, design and en legal fees and site preparation costs. Contributed ta assets are recorded at fair value at the time of the do corresponding amount recorded as revenue. Amortizat on a straight-line basis over the estimated life of the ta asset commencing once the asset is available for pro- follows:	attributable to asset including gineering fees, angible capital phation, with a ion is recorded angible capital

Retirement Benefits and Other Employee Benefit Plans	The Municipality's contributions to its multi-employer of plan are expensed as incurred on an accrual basis.	defined benefit

County of Wetaskiwin No. 10 Summary of Significant Accounting Policies

Government Transfers	Government transfers, which include legislative grants, are recognized in the financial statements in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amount(s) can be made.
Revenue Recognition	Charges for sewer and water usage are recorded as user fees and are recognized when the service has been provided. Connection fee revenues are recognized when the connection has been established. Funds received for specific purposes which are externally restricted by
	legislation, regulation or agreement and are not available for general municipal purposes are accounted for as deferred revenue on the consolidated statement of financial position. The revenue is recognized in the consolidated statement of operations in the year in which it is used for the specified purpose.
	Grants for the acquisition of tangible capital assets are recognized as revenue in the period in which eligible expenditures are made.
	Sales of service and other revenue is recognized on an accrual basis.
Taxation Revenue	Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. As taxes recorded are initially based on management's best estimate of the taxes that will be received, it is possible that changes in future conditions, such as reassessments due to audits, appeals and court decisions, could result in a change in the amount of tax revenue recognized. Taxes receivable are recognized net of an allowance for anticipated uncollectable amounts.
Liability for Contaminated Sites	A contaminated site is a site at which substances occur in concentrations that exceed the maximum acceptable amounts under an environmental standard. Sites that are currently in productive use are only considered a contaminated site if an unexpected event results in contamination. A liability for remediation of contaminated sites is recognized when the organization is directly responsible or accepts responsibility; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability includes all costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring. The liability is recorded net of any expected recoveries.
Use of Estimates	The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

December 31, 2018

1. Cash and Cash Equivalents

	2018	2017
Cash balances Cash balances yielding prime less 1.75% on a monthly basis	\$	\$
	\$ 30,109,558	\$ 28,289,882

The Municipality has an undrawn line of credit with a limit of \$5 million that carries an interest rate of prime. The line of credit is secured by borrowing bylaws pledging grants under the particular projects or tax revenues of the Municipality.

The Municipality has an undrawn capital loan with a limit of \$5.3 million that carries an interest rate of prime. The capital loan is secured by borrowing bylaws pledging grants under the particular projects or tax revenues of the Municipality.

Included in the above amounts are the following amounts received from the Province of Alberta and Government of Canada as conditional grants held exclusively for future projects.

	_	2018	2017
Internship Federal Gas Tax (FGT) Agriculture Services Municipal Sustainability Initiative (MSI) FCSS Grant Disaster Services grant ICF Grant Building Canada Grant	\$	14,333 902,771 146,151 8,196,498 - -	\$ 5,114 844,250 128,104 3,592,823 22,000 4,200 5,661 1,429,498
	\$	9,259,753	\$ 6,031,650

December 31, 2018

2.	Accounts Receivable	2018 2017
	Trade accounts receivable Grants receivable Allowance for uncollectible	\$ 1,922,509 \$ 1,303,269 6,271,128 4,308,371 (82,000) (135,000)
		\$ 8,111,637 \$ 5,476,640

3. Debt Recoverable

Debt recoverable relates to amounts borrowed by the Municipality and loaned to the Wetaskiwin and Area Lodge Authority (WALA) in accordance with section 264 of the MGA.

The debt recoverable is repayable in semi-annual payments \$271,832 of principal and interest on March 15 and September 15 of each year. The debt recoverable bears interest at 4.389% compounded semi-annually. The mortgage is due March 15, 2036.

The debt recoverable is secured by an assignment of insurance proceeds, an assignment of rents and leases, a general security agreement, land and buildings.

WALA has the right to requisition its members, consisting of the County of Wetaskiwin, the City of Wetaskiwin and the Town of Millet for their annual shares of budgeted operating deficits and for their annual shares of the semi-annual debt recovery payments. The annual share is calculated annually based on the equalized assessment for that year. As of December 31, 2018, the Municipality's annual contribution is 61% of the total requisition.

Estimated principal and interest repayments on debt recoverable over the next five and subsequent years are as follows:

	 Principal	Interest	Total
2019 2020 2021 2022 2023 Thereafter	\$ 257,103 268,511 280,425 292,868 305,863 5,187,893	\$ 286,561 275,153 263,239 250,796 237,801 1,280,364	\$ 543,664 543,664 543,664 543,664 543,664 6,468,257
	\$ 6,592,663	\$ 2,593,914	\$ 9,186,577

The gross interest received relating to the above debt recoverable was 291,399 (2017 - 307,944).

December 31, 2018

4.	Employee Benefits Plan Liability	_	2018	2017
	Sick leave benefits - accrued liability Vacation Overtime	\$	733,989 336,643 26,111	\$ 530,811 394,571 25,937
		\$	1,096,743	\$ 951,319

The employee benefits plan liability includes accrued vacation and overtime that employees are deferring to future years. Employees have either earned the benefits (and are vested) or are entitled to these benefits within the next budgetary year.

The employee benefits plan liability also includes paid sick leave that can accumulate to a maximum of 90 days. Sick leave will only be paid out if employees meet the conditions outlined in the policy for utilization of sick leave and will not be paid out upon the termination or retirement of an employee. The amount above has been estimated by using past utilization of sick leave in excess of the annual entitlement and projecting the past utilization to the future using an estimated average age to retirement of 12 years, an inflation factor of 2.50% and a discount rate of 4.893%.

December 31, 2018

5. Local Authorities Pension Plan

Certain employees of the Municipality are eligible to be members of the Local Authorities Pension Plan (LAPP), a multi-employer pension plan which is covered by the Public Sector Pension Plans Act. The LAPP serves about 133,000 people and 389 employers. The LAPP is financed by employer and employee contributions and by investment earnings of the LAPP Fund.

The Municipality is required to make current service contributions to the LAPP of 11.39% of pensionable earnings up to the year's maximum potential earnings under the Canada Pension Plan and 15.84% on pensionable earnings above this amount to an annual maximum pensionable earnings of \$162,312. Employees of the Municipality are required to make current service contributions of 10.39% of pensionable earnings up to the year's maximum potential earnings under the Canada Pension Plan and 14.84% on pensionable earnings above this amount to an annual maximum potential earnings under the Canada Pension Plan and 14.84% on pensionable earnings above this amount to an annual maximum pensionable earnings of \$162,312.

The plan provides defined pension benefits to employees based on their length of service and rates of pay. Contributions for the year were:

	 2018	2017
Employer contributions Employee contributions	690,378 626,511	695,785 644,944
	\$ 1,316,889	\$ 1,340,729

As this is a multi-employer pension plan, these contributions are the Municipality's pension benefit expense. No pension liability for this type of plan is included in the Municipality's financial statements. The most recent valuation as at December 31, 2017 indicates a surplus of \$4.84 billion (2016 - deficit - \$0.64 billion) for basic pension benefits. The actuary does not attribute portions of the unfunded liability to individual employers.

December 31, 2018

6. Deferred Revenue

	\$ 7,173,364	\$ 7,777,466	\$ 136,160	\$ (4,567,207)	\$ ^	10,519,783

<u>Grants</u>

Under various grant agreements with the Government of Canada and the Province of Alberta, the Municipality is required to account for grants provided and to complete the projects or programs in accordance with standards detailed in the various agreements. If these requirements are not adhered to, grants provided will become repayable to the source government. Unexpended funds are repayable to the source government upon final accounting. Funds are deferred until related expenditures under the specific grant agreements have been incurred.

Prepaid Local Improvements

Under development agreements related to the Mulhurst sewer and Winfield water, various landowners have prepaid their local improvement levy. The levy is amortized into revenues straight-line over 25 years.

Property Owner Contributions

Under development agreements for developments in the Pigeon Lake Watershed, developers are required to contribute funds for the purpose of future expansion of the existing sewer system. These funds will be used to finance future capital expansions and recognized as revenue at that time.

December 31, 2018

7. Long-term Debt

Long-term debt reported on the statement of financial position is comprised of the following:

	2018	2017
Self supported debentures, due 2020 to 2035. Wetaskiwin and Area Lodge Authority Debenture, 4.389% due March 15, 2036, blended semi-annual payments of	\$ 1,272,287	\$ 1,616,227
\$271,832. Secured by a note receivable. See Note 3.	6,592,662	6,838,842
	7,864,949	8,455,069

Debenture debt is repayable to the Alberta Municipal Financing Corporation and bears interest at rates ranging from 1.088% to 8.625%. The weighted average interest rate, excluding the WALA debenture, for 2017 is 5.44%. Debenture debt is issued on the security of the Municipality at large.

Estimated principal and interest repayments on debenture debt over the next five and subsequent years are as follows:

	Principal	Interest	Total
2019 \$ 2020 2021 2022 2023 Thereafter	606,972 624,522 312,411 326,328 335,403 5,659,313	\$ 322,317 304,767 287,325 273,408 258,871 1,416,254	\$ 929,289 929,289 599,736 599,736 594,274 7,075,567
\$	7,864,949	\$ 2,862,942	\$ 10,727,891

The gross interest paid relating to the above long-term debt was \$330,084 (2017 - \$355,355).

December 31, 2018

8. Debt Limits

Section 276(2) of the Municipal Government Act requires that debt and debt limits as defined by Alberta Regulation for the Municipality be disclosed as follows:

	2018	2017
Total debt limit Total debt	\$41,278,562 1,272,287	\$ 37,912,311 1,616,227
Total debt limit available	\$40,006,275	\$ 36,296,084
Debt servicing limit	\$ 6,879,760	\$ 6,318,719
Debt servicing	385,625	385,625
Total debt servicing limit available	\$ 6,494,135	\$ 5,933,094

The debt limit is calculated at 1.5 times revenue of the Municipality (as defined in Alberta Regulation 255/2000) and the debt service limit is calculated at 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are guidelines used by Alberta Municipal Affairs to identify municipalities that could be at financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the municipality. Rather, the financial statements must be interpreted as a whole.

11. Membership Fee

The Municipality acquired a non-controlling interest in West Dried Meat Lake Regional Solid Waste Authority July 2, 1996. The purpose of the Authority is to administer and maintain a solid waste landfill. The non-controlling interest entitles the Municipality to one vote in the operations of the Authority and the requirement to pay an annual requisition to deliver solid waste. There are currently five members, including the Municipality. In case of dissolution, members are entitled to 20% of the remaining net assets of the Authority. The remaining net assets would be determined after settling all remaining environmental liability. The membership agreement has no expiry date.

The membership fee has been accounted for at historical cost.

The estimated value of the Municipality's interest in the Authority is 3.69 million.

17. Commitments and Contingencies

The Municipality has been named as a defendant in various actions seeking damages from the Municipality and other unrelated parties. These claims have been forwarded to the Municipality's insurers who are defending the claims. No liability to the Municipality is foreseen in any of these claims.

The Municipality has entered into two gravel supply and haul contracts for the road graveling program for 2019. Estimated payments for 2019 are \$1,300,000.

18. Liability for Contaminated Sites

Management has completed a comprehensive review of all properties owned and controlled by the Municipality and has concluded that they own no properties that would require disclosure under this standard.

December 31, 2018

19. Funds Held in Trust

At the year end, the Municipality held \$115,445 (2017 - \$115,388) in trust which is proceeds from tax sale surplus. These funds are not included in these financial statements.

The Municipality performs administrative functions and held \$414,281 (2017 - \$392,237) in trust for the Joint Economic Development Initiative (JEDI), a society. These funds are not included in these financial statements.

The Municipality performs administrative functions and held \$416,053 (2017 - \$nil) in trust for the North East Pigeon Lake Regional Commission (NEPL), a commission. These funds are not included in these financial statements

December 31, 2018

20. Budget

The Budget adopted by Council on April 17, 2018 was not prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards). The budget was prepared on a modified accrual basis while Public Sector Accounting Standards now require a full accrual basis. The budget figures anticipated use of surpluses accumulated in previous years to reduce current year expenditures in excess of current year revenues for a budgeted surplus of \$22. In addition, the budget did not include an amortization expense. As a result, the budget figures presented in the statements of operations and change in net financial assets represent the Budget adopted by Council on April 17, 2018 with adjustments as follows:

		2018
Budget surplus for the year	\$	22
Add:		
Capital expenditures	17	,061,018
Debenture principal payments		590,122
Budgeted transfers to accumulated surplus	1	,202,731

21. Segmented Information

The Municipality is a diversified municipal government institution that provides a wide range of services to its citizens. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segments and the activities they encompass are as follows:

General Government

Provides legislative and administrative oversight.

Protective Services

Provides police, fire, ambulance, and bylaw services.

Public Works

Manages the Municipality's fleet of equipment as well as maintains and improves the Municipality's infrastructure.

Utilities

Provides water, wastewater and solid waste services.

Cemetery

Provides support and funding for various cemetery groups in the Municipality.

Family and Community Support Services

Provides family and community support services.

Recreation and Cultural Services

Provides funding to recreation groups including other local municipalities within the Municipality.

Planning and Development

Provides services related to all property development plans through its application process.

Agriculture Service

Provides services for weed and pest control as well as horticulture and soil conservation.

The accounting policies of the segments are the same as those described in the summary of significant accounting policies. In measuring and reporting segment revenue from transactions with other segments, inter-segment transfers have been eliminated. The revenues and expenses and equity in government business enterprises and government business partnerships that are directly attributable to a particular segment are allocated to that segment. Amounts that are directly attributable to a number of segments have been allocated on a reasonable basis.

Taxation has been allocated to general government.

December 31, 2018

22. Salary and Benefits Disclosure

Disclosure of salaries and benefits for municipal officials, the chief administrative officer and designated officers as required by Alberta Regulation 313/2000 is as follows:

Councilors:	Salary	Benefits & Allowances	Total 2018	Total 2017
Division 1	\$ 47,590 \$	5 11,748	\$ 59,338 \$	50,531
Division 2	49,258	11,912	61,170	57,018
Division 3	47,590	7,116	54,706	55,553
Division 4	47,590	7,752	55,342	55,289
Division 5	47,590	11,748	59,338	55,930
Division 6 Reeve	53,875	13,013	66,888	66,036
Division 7	47,590	12,384	59,974	57,652
Chief Administrative				
Officer	205,503	33,848	239,351	215,325
Designated Officers (3)	380,299	82,098	462,397	436,939

Salary includes regular base pay, bonuses, overtime, lump sum payments, gross honoraria and any other direct cash remuneration.

Benefits and allowances figures include the employer's share of all employee benefits and contributions or payments made on behalf of employees including pension, health care, dental coverage, group life insurance, accidental disability and dismemberment insurance, long and short term disability plans, and professional memberships, as well as the employer's share of the costs of additional taxable benefits.

23. Comparative Figures

Comparative figures have been adjusted for current period presentation.

24. Approval of Financial Statements

Council and Management have approved these financial statements.
