Development Permit Checklist

SUBMIT THE FOLLOWING ITEMS WITH YOUR APPLICATION:

Note: Applications are not considered complete until <u>all</u> required information and fees are provided. Incomplete or illegible applications may be returned to the applicant. Fees will be determined once the application is complete.

	Completed Application Form: Ensure all sections are filled out.
	Site Plan: Note: You may refer to the FAQ section on the Planning and Development page of the County website for guidance on using the County Interactive Map to determine property dimensions
	and measure distances from structures to property lines.
	Detailed on Page 5
Ш	Drawings or Image of Proposed Structure(s): Showing structural appearance, and dimensions.
	Detailed Floor Plans: as required for the project (indicate if the structure is an open-floor plan).
	Signatures: ALL landowners on title <u>must</u> be listed on the application form and sign the application.
	Operational/Business Plans: Review the information sheets on pages 4 and 5. It's encouraged that you
	submit a detailed business plan as a separate document.
Develo	ppment Permit Fees: Final payment amounts will be confirmed upon receipt and review of the application
	by the Development Authority.

You will be contacted by the Planning and Development Department if additional information is required.

If appli	cable, please include the following:
	Registered Owner Authorization Form: Required if the registered owner is not the applicant (e.g., contractor, purchaser of the property, anyone not listed on Title). The form must be signed by all current landowners. If the property was recently purchased, a Purchase Agreement or any document confirming you as the new landowner will be required.
	Variance Request Form: If you need a variance to a property line, please contact wpermits@county10.ca to request a Variance Request Application. Please note that a variance will trigger a 21-day appeal period before the permit is approved.
	Off-site Sewer Levy Requirement: The Off-site Sewer Levy Bylaw 2007/38 & 2008/42 requires that development that takes place in the designated area be required to pay a one-time off-site sewer levy fee in the amount of \$2,034.00. The object of this Bylaw is for the collection of funds to pay for the capital cost of the new and/or expanded facilities for the treatment, movement, or disposal of sanitary sewage. The Levy must be paid prior to the issuance of a Development Permit. For more details and to determine if your property is in the affected areas, please visit the County website: www.county.wetaskiwin.ab.ca

A Development Permit is not a Building Permit.

For Safety Codes Permits including Building, Plumbing, Gas and Electrical Permits, please contact Superior Safety Codes in Edmonton 780-489-4777 or Red Deer 403-358-5545.
