

COUNTY OF WETASKIWIN – GENERAL GUIDELINES

FIRE PERMITS

WHAT CAN YOU BURN?

“Burnable Debris”

All combustible waste other than Prohibited Debris and includes, but is not limited to:

- straw and stubble
- grass and weeds
- leaves and tree prunings
- brush and fallen trees on newly cleared land or associated with logging operations
- used power, telegraph, and telephone poles that do not contain wood preservatives
- wooden materials, which do not contain wood preservatives, from the construction or demolition of buildings
- solid waste from post and pole operations that does not contain wood preservatives
- solid waste from tree harvesting operations

WHAT CAN'T YOU BURN?

“Prohibited Debris”

Any combustible waste that, when burned, may result in the release to the atmosphere of dense smoke, offensive odours, or toxic substances and includes, but is not limited to:

- animal manure
- pathological waste
- non-wooden material
- waste material from building or construction sites, excluding wooden materials that do not contain wood preservatives
- combustible material in automobile bodies
- tires
- rubber or plastic, or anything containing or coated with rubber or plastic or similar substances, except rubber or plastic attached to shredded scrap steel
- used oil
- wood or wood products containing substances for the purpose of preserving wood
- shingles
- any debris that contains hydrocarbon products (oil/oil related products)

Fire Permits are not permitted in Hamlets within the County, on County Environmental Reserve properties, Municipal Reserve properties, or County Parks
